

Abigails Footsteps

As part of our ongoing commitment to supporting charities through our Charitable Metal Recycling Scheme, we were delighted to donate £10,000 to Abigail's Footsteps, nominated by our teams at both Head Office and Thamesview.

Abigail's Footsteps supports bereaved families following the loss of a baby and works to improve baby loss bereavement care. Our donation will help the charity maintain its network of Abi Cooling Cots, ensuring they remain available to families when they need them most.

Providing precious time with their baby

Losing a baby is an incredibly heartbreaking experience. Abi Cooling Cots help families spend precious time with their baby following their loss, allowing them to hold, change and read stories to their little one, and create memories they can treasure.

Abi Cooling Cots and members of the Abigail's Footsteps team, helping ensure bereaved families have precious time with their babies and the opportunity to create lasting memories.

Abigail's

Providing support for bereaved families

Bereaved parents quoted...

"An Abi Cooling Cot was an essential piece of equipment that was vital to us spending four precious days with our baby after she was born. The Abi Cooling Cot meant that we and her family had time with Lois, to change her and read her stories."

"We couldn't imagine not being able to spend time with our precious baby girl and, thanks to the Abi Cooling Cot, we were able to make some cherished memories that will stay with us forever."

Keeping vital support available

Abigail's Footsteps provides support to bereaved families and the healthcare professionals who care for them. To date, the charity has delivered 366 Abi Cooling Cots nationwide, trained 6,574 healthcare professionals, funded 5,039 hours of counselling for parents and provided 510 support sessions for healthcare professionals.

Maintaining the Abi Cooling Cots requires ongoing servicing and repairs to ensure they remain safe, operational and available whenever families need them. Our £10,000 donation will help fund these essential costs, supporting the charity in keeping its network of cots available to families during some of the most difficult moments of their lives.

By helping maintain this vital resource, our donation will contribute to the continued support Abigail's Footsteps provides to bereaved families, helping give parents the precious time and opportunity to create lasting memories with their baby.

Making a difference

We're proud that our Charitable Metal Recycling Scheme can support Abigail's Footsteps and the vital work they do for bereaved families, helping ensure Abi Cooling Cots and support remain available when families need them most.

We'd like to thank our team for nominating the charity and Abigail's Footsteps for the important work they continue to do.
